Child Care & Development, 6th Edition Pamela Minett

As much an illustrated guide as a textbook, here's one place you can find everything you need to know about caring for children and how they develop.

Broken down into 76 simple chunks that each explain a short topic, Pamela Minett's approach uses illustration as much as words to explain the key concepts and show you what is meant. The emphasis is on practical guidance based on the best and most up-to-date advice in the field.
