If you want to know what you can and cannot do with guns in Arizona, this is the book to own. Since 1989 we have been publishing the guide Arizonans go to for all the details on the state's gun laws.

You get a copy of all the gun laws word-for-word, but more important, everything is described in plain English. The descriptions are cross-referenced to the laws.

The author takes the mystery out of the Arizona carry-permit law and the new no-permit Constitutional Carry law. Plus -- the self-defense laws, buying, keeping and using guns, the NICS background check, and he turns the legal mumbo jumbo into clear familiar English. Find out the who, what, when, where, why and how of firearms purchase, ownership, carry and use in Arizona, including national permit reciprocity. Now that Arizona has Constitutional Carry (no permit required) it's more important than ever to know the rules, the prohibited places, stay safe and keep out of trouble. "It doesn't make sense to own a gun and not know the rules."
