There Will Be Lies Nick Lake

In four hours, Shelby Jane Cooper will be struck by a car.

Shortly after, she and her mother will leave the hospital and set out on a winding journey toward the Grand Canyon.

All Shelby knows is that they're running from dangers only her mother understands. And the further they travel, the more Shelby questions everything about her past-and her current reality. Forced to take advantage of the kindness of unsuspecting travelers, Shelby grapples with what's real, what isn't, and who she can trust . . . if anybody.

Award-winning author Nick Lake proves his skills as a master storyteller in this heart-pounding new novel. This emotionally charged thrill ride leads to a shocking ending that will have readers flipping back to the beginning.
