Away from Home: A Novel Rona Jaffe

Three young and successful couples have come to the exotic shores of Rio, Brazil, to live and work in the late 50s. The new city offers them an escape—a private paradise where the pleasures and customs of a vibrant culture can ease the loneliness, pain, and stress from their former American lifestyles. But as they become swept up in the colorful madness of Carnival, their expatriate dreams quickly begin to disintegrate, and secrets from their past begin to resurface. Now, so far away from home and in a foreign land, they have become strangers to one another and have to find themselves once again. Sophisticated and expertly crafted, *Away from Home* is an engrossing read about rediscovering one's identity in unfamiliar cities and circumstances.

From reader reviews:

Helga Lever:

Reading a e-book can be one of a lot of action that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people like it. First reading a guide will give you a lot of new information. When you read a book you will get new information simply because book is one of several ways to share the information or even their idea. Second, reading through a book will make an individual more imaginative. When you looking at a book especially tale fantasy book the author will bring one to imagine the story how the people do it anything. Third, you could share your knowledge to other individuals. When you read this Away from Home: A Novel, you are able to tells your family, friends and also soon about yours guide. Your knowledge can inspire others, make them reading a guide.

Marcia Fullerton:

Reading a e-book tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Having book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some study before they write for their book. One of them is this Away from Home: A Novel.

Princess Bequette:

Spent a free a chance to be fun activity to do! A lot of people spent their free time with their family, or their particular friends. Usually they carrying out activity like watching television, planning to beach, or picnic in the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Might be reading a book may be option to fill your free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to attempt look for book, may be the publication untitled Away from Home: A Novel can be great book to read. May be it may be best activity to you.

Dorothy Alvarez:

It is possible to spend your free time to study this book this publication. This Away from Home: A Novel is simple to bring you can read it in the park, in the beach, train and soon. If you did not include much space to bring the actual printed book, you can buy typically the e-book. It is make you simpler to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.
