Jack of Hearts: Desert Sons MC Kathryn Thomas

She just stole from the wrong person.

Being wild is in my blood—anything else short of that isn't an option. I play it fast and loose—with a different woman in my bed every week and more money than I could count.

And then Tina Harris just *had* to go and steal *my* bike.

Well she's about to find out that nobody steals from me and gets away with it.

I'm going to bring her back—even if I have to drag her back.

And then I'm tying her to a bed and I'll teach her the consequences of stealing. I'm going to own that body and tame those curves.

She thinks she can take something from me?

Well, I'm going to take everything from her.

I like to play dirty, but Jack Carter is in a whole other league.

I've seen my fair share of trouble since my days of foster care. Now I've violated parole and found myself on the run from the cops again. I needed a getaway ride—and fast.

How the hell was I supposed to know who the bike belonged to?

Now I'm in a world of trouble and he's the only one who can help.

I shouldn't trust strangers—especially not dangerously handsome strangers like Jack Carter.

He thinks he owns me.

He's forgetting that I'm a damn good thief.

This is a full length standalone romance with no cliffhangers and a guaranteed HEA ending. Your copy of Jack of Hearts includes two BONUS BOOKS -- Queen of Clubs and King of Diamonds!!

* This sexy steamy bad boy romance is perfect for fans of Joanna Blake, Devon Hartford, Sabrina Paige, Winter Renshaw, Vanessa Waltz and Dani Wyatt *
