## **Rules of the Game** Neil Strauss

If you want to play the Game, you've got to know the Rules.

In his international bestseller *The Game*, Neil Strauss delved into the secret world of pick-up artists--men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of *The Game*, and the world's No. 1 PUA, as Style.

Now, in his first follow-up to *The Game*, comes an extraordinary package: A lavishly produced, two-volume pocket-size set that every pickup artist--accomplished or aspiring--will need to have. The first book, *The Stylelife Challenge*, is the manual Strauss thought he'd never write: the ultimate guide to landing the woman of your dreams. Bound in white leatherette, it offers an in-depth 30-day program, Strauss challenges readers to confront their insecurities and overcome them through a process of rigorous self-examination, briefings and field missions.

In the second book, Strauss takes readers into the dark side of *The Game*. Bound in black leatherette, *The Style Diaries* offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; from conducting a keenly felt and tender relationship over email, to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," *The Style Diaries* takes you further into the seduction underworld than ever before, and delves where *The Game* never dared to tread: into the even more complicated rules of relationships.
