Take a bite out of this deliciously funny original fairy tale, which received four starred reviews and was named a Best Book of the Year by *Booklist*, *School Library Journal*, *Kirkus Reviews*, and the Bank Street College of Education.

What would you do if you were invited to the princess's tenth birthday party but didn't have money for a gift? Well, clever Jack decides to bake the princess a cake.

Now he just has to get it to the castle in one piece. What could *possibly* go wrong?

Candace Fleming and G. Brian Karas, creators of the bestselling picture book *Muncha! Muncha! Muncha!*, have teamed up again to bring us a modern fairy tale starring a determined boy and a story-loving princess with a good sense of humor. While girls will fall for a story featuring a princess's birthday party, Jack's adventures with trolls, bears, and gypsies make this the perfect read for young boys as well—and ideal for storytime.
