From the enchanting world of Kathryne Kennedy comes the long-awaited new installment in her bestselling Relics of Merlin series—where the magic never dies.

Power Magic is Afoot

Millicent Pantere has lived her entire life in the notorious London Underground. She cares nothing for the problems of the crown or the intrigues of society. But the ladies of the realm are acting strangely, and Millicent is coerced into tracking down the rumors of a mysterious man—a magic man who comes in the night and disappears at dawn.

And So the Hunt Begins

Millicent's search leads her to one of Merlin's legendary relics and the seductive knight whose fate is bound up with it. Centuries ago, Sir Gareth Solimere made the mistake of seducing the wrong woman, and he has been trapped ever since by a diabolical curse. He's looking for the one who can break the enchantment—but in this world, there is no love without betrayal...
