Faith and Reason Ronald H. Nash

Christians should not have an inferiority complex regarding the academic or intellectual integrity of their faith and should understand that Christian faith is also a rational faith. Faith and Reason has two major purposes. First, it is designed to introduce readers to the more important questions that link philosophy and religion. It explores philosophical questions. It is also written for pastors, Christian workers, and educated laypeople who want to know how to defend the Christian faith. The book includes discussion questions.
