She'll give you the confidence to put together a layered and very individual home using elements you love, and make you see your old belongings in a new light.

As well as lavish photographs of rooms Anna has created, she shares many of her secrets from a life in decorating, gives practical details on how to work with pattern and color, and provides a room-by-room guide to furniture choice. 'I always endeavour to create happy, interesting, layered and uplifting spaces. That means mixing everything: color and pattern, old and new, square and round, quirky and conservative. It's the imperfections and surprises that make a space interesting'.
