I Can See Clearly Now: How Synchronicity Illuminates Our Lives Mary Soliel
Three-Time Award-Winning Book!

When Mary Soliel woke up to the reality of synchronicity, she realized we are all constantly graced with meaningful signs, not mere coincidences, through our relationships, nature, numbers, events--basically all things this world is made up of. In *I Can See Clearly Now*, she shares her twelve-year spiritual odyssey that began with an awareness of these mysterious forces that guide, validate, and help us live our lives. You'll be amazed by her many stories of nearly unbelievable occurrences of perfectly timed, exquisite signs, including those that miraculously and repetitively delivered a monumental message of hope for our future. *I Can See Clearly Now* will help you:

- * Recognize the synchronicities that bless your life.
- * Decide for yourself whether ours is a random or deliberate Universe.
- * Tap into your intuition to decipher meanings of synchronicities and become a conscious creator.
- * Know that your angels want you to call on them for help and guidance.
- * Create miracles through gratitude, unconditional love, and forgiveness.
- * Release negative self-thoughts that run your life, learn how to heal yourself, and recreate by "choosing again."

Laugh and scream with joy when you see 444, when a wild animal shows you the way, when a song courts you with the perfect words you need to hear, when a cloud's shape brings you to tears, when water rains on your abundant self, and when a stranger comes out of nowhere and becomes your perfect mirror. And feel God's grace touch you so profoundly that you fall down on your knees.
