The Secret Archives of Sherlock Holmes (The Sherlock Holmes Collection) June Thomson

Previously unpublished case notes from the pen of Dr. John H. Watson, companion to the great detective Sherlock Holmes, come to light in this new collection from June Thomson. A mysterious veiled lady carries a counterfeit painting into an art dealer's office. A widow with three hands slips out of a church door. A farmer lies dead in a barn, his son accused of his murder, and a skeleton with a silver locket is unearthed in a back garden. Who can solve these mysteries? One man. He lives on Baker Street.

The recent Hollywood and BBC adaptations of Conan Doyle's stories have led to a surge of interest and Thomson captures Watson's voice with aplomb.
