In Pursuit of a Legend

They call him Edge, and he's determined to kill vampire hunter Frank Stiles, the obsessed vampire-hunter who murdered Edge's immortal companions, leaving him alone and possessed by his need for vengeance. But it's a vengeance he can carry out only with the help of the one they call the Golden Child.

Amber Lily is alone among the undead. Known as the Golden Child, she's half human and half vampire, the only one of her kind and immensely valuable to her vampire kin—but none moreso than Edge.

The moment they meet she finds him exciting, irresistible, and despite herself she's drawn into his hunt. But Amber Lily has a secret. Though she, too, has vowed to track down Stiles and confront him, she needs him alive, a desire Edge will see only as a betrayal. Will he be able to forgive her, or will their growing love be doomed for the long eternity of their lives?
