The Evidence for Phantom Hitch-Hikers: An Objective Survey of the Vanishing Passenger from Urban Myths to Actual Events (Mind, Body, Knowledge) Michael Goss

All over the world, motorists report giving lifts to hitch-hikers who then vanish ghostlike into thin air. Phantom Hitch-Hikers, as these insubstantial passengers are called, have become classified as an urban legend and have been related to historical tales of supernatural traveling companions. But is there more to such stories than picturesque folklore? Are there genuine paranormal experiences behind the reports?

Goss explores the meaning and causes of this phenomenon. In terms of purpose and behavior, the Phantom Hitch-Hiker of urban folklore is a thoroughly conventional ghost: one who matches popular expectations of what a ghost is, what it does, and why. He or she is the spirit of a deceased person, the victim of a tragic accident, which resulted in the premature termination of earthly existence. It would appear that these "ghosts" are motivated by, especially on the anniversaries of their unfortunate accidents, a desire to complete their unfinished homeward journeys. It would also appear that they do not know that they are dead.

This is the most comprehensive study of a peculiar phenomenon that has mystified students of the paranormal for centuries. Goss' study will entertain and inform anyone who enjoys a good ghost story and anyone who is interested in understanding the mysterious and unexplained.

Bill Boyd:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real

their leisure activity. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this *The Evidence for Phantom Hitch-Hikers: An Objective Survey of the Vanishing Passenger from Urban Myths to Actual Events (Mind, Body, Knowledge)* can make you experience more interested to read.
