**A body has been found in a frozen lake, bringing a gruesome act of evil into the light.**

One look at the victim is enough for DCI Claire Winters to recognise the work of a warped mind. And when another woman is reported missing, Claire's worst fears are confirmed: this is a killer who plans to strike again.

As the body count rises, the pressure is on for Claire to find the perpetrator and bring them to justice. But first, she must learn to understand the twisted mind behind the crimes. And that will take her to a darker place than she ever thought possible.
