Your New Dog: A Beginner's Guide to Dog Adoption

The old adage “a dog is a man’s best friend” delivers a profound truth in the simplest of terms. A good dog exhibits many of the traits we’d like to foster within others and ourselves: loyalty, forgiveness, gentleness and so many more. Who is the first to greet you at the door at the end of a long, tiring workday? Of course, it’s your faithful canine. No other will ever welcome you with such enthusiasm and excitement for simply showing up. A dog is the source of great joy and enduring love, but also comes with a great deal of responsibility and care.

Your New Dog is a guide designed to take the guesswork out of finding your perfect furry companion. Breeds are many, some better with children, while others need wide open spaces to run and be free. Writer Jean Chu, a passionate dog owner in her own right, has painstakingly addressed every concern you can imagine in this informative guide. If you’ve owned a pet before, you know the work involved in grooming, walking, training, nurturing and on and on. It is nearly a fulltime job, but one with the richest of rewards.

All of the above is meaningful and true, but when adopting, especially a rescued dog, the challenges are even greater. However, the emotional recompense far outweighs any sacrifice you, as the owner, may put forth. Jean knows and understands the fine details of adopting a dog. She owns a special therapy dog, Max, who has been extensively trained to provide comfort and acceptance to children with disabilities.

Dog ownership is absolutely one of the most fulfilling, rewarding endeavors any person could undertake. There is a special union that exists between dog and man, one that Jean Chu can explain like no other.

Download this extraordinary eBook today and find your chosen special friend.
