**St. Bonaventure's on the Reduction of the Arts to Theology (English and Latin Edition) St. Bonaventure**

In his treatise, *On the Reduction of the Arts to Theology* or, in Latin, *De Redcutione Artium ad Theologiam*, St. Bonaventure deals with the relation of the finite to the infinite, of the natural to the supernatural, in a way which well establishes his preeminence as a mystic, a philosopher and a theologian. This English translation (from Latin) and commentary brings to the modern day reader an appreciation of the return of all created things to God.

This volume is reprinted with a revised translation, introduction and commentary by Zachary Hayes, OFM, from the original by Emma Therese Healy, CSJ, in 1955.
