**The Case for Christ Study Guide Revised Edition: Investigating the Evidence for Jesus** Lee Strobel, Garry D. Poole

Is there credible evidence that Jesus of Nazareth really is the Son of God?

Skeptics dismiss the Jesus of the Gospels by claiming there is no evidence in the case for Christ. Lee Strobel disagrees. The former legal journalist and one-time atheist knows how to ask tough questions. His own search for truth about Jesus led him to faith in Christ.

Now Strobel invites you and your group to investigate the truth about Jesus Christ leading to the facts that guided Strobel from atheism to faith in Christ.

In this revised six-session video study, participants will journey along with Strobel on a quest for the truth about Jesus. Rejecting easy answers, you will sift through fascinating historical evidence as you weigh compelling expert testimony. In the end, groups may very well see Jesus in a new way?and even, like Strobel, find their life transformed.

Pastors, small group leaders, and individuals will find compelling answers for their questions about Jesus in this revised study guide, to be used in coordination with *The Case for Christ Revised: A DVD Study* (sold separately).

The six sessions include:

1. The Investigation of a Lifetime
2. Eyewitness Evidence
3. Evidence Outside the Bible
4. Analyzing Jesus
5. Evidence for the Resurrection
6. Reaching Your Verdict
