The Red House Mark Haddon

A *Washington Post* Best Book of the Year

From Mark Haddon, the bestselling author of *The Curious Incident of the Dog in the Night-Time*, comes a dazzlingly inventive novel about modern family life.

Richard, a wealthy doctor, invites his estranged sister and her family to join his family for a week at a vacation home in the English countryside. Against the backdrop of a strange family gathering, Haddon skillfully weaves together the stories of eight very different people forced into close quarters. *The Red House* is a symphony of long-held grudges, fading dreams and rising hopes, tightly guarded secrets and illicit desires, painting a portrait of contemporary family life that is at once bittersweet, comic, and deeply felt.
