To Antietam Creek: The Maryland Campaign of September 1862

David S. Hartwig

To Antietam Creek: The Maryland Campaign of September 1862 David S. Hartwig

In early September 1862 thousands of Union soldiers huddled within the defenses of Washington, disorganized and discouraged from their recent defeat at Second Manassas. Confederate General Robert E. Lee then led his tough and confident Army of Northern Virginia into Maryland in a bold gamble to force a showdown that would win Southern independence. The future of the Union hung in the balance. The campaign that followed lasted only two weeks, but it changed the course of the Civil War.

For the sesquicentennial of Antietam and the Maryland Campaign, D. Scott Hartwig delivers a riveting first installment of a two-volume study of the campaign and climactic battle. It takes the reader from the controversial return of George B. McClellan as commander of the Army of the Potomac through the Confederate invasion, the siege and capture of Harpers Ferry, the day-long Battle of South Mountain, and, ultimately, to the eve of the great and terrible Battle of Antietam.
