Christine Bold

Using Narrative in Research Christine Bold

Serving as an introduction to narrative methods and narrative analysis, Christine Bold's new book provides students, researchers, and other professionals with an introduction to the theory and practice of narrative approaches in research. This book does everything that a methods book needs to do. It is practical, yet sets out the theory and history behind the approach, and it looks explicitly at design, ethics, data gathering, data analysis and writing as an ongoing process of narrative research. Bold's text deals comprehensively with conceptual issues within narrative research and is driven throughout by a range of real research specific examples of narrative analysis in action.
