Education Policy Perils: Tackling the Tough Issues

Education Policy Perils: Tackling the Tough Issues

Education Policy Perils provides educators and those interested in the future of public education with research-based and practical analyses of some of the foremost issues facing public schools today. The collection, written by experienced scholar-practitioners, offers insights that include nuanced descriptions of various challenges facing educators and recommendations for overcoming them with an eye toward more successful policy and better implementation. The authors apply their expertise to a range of issues from international testing to policy challenges related to curriculum on the state and national levels. This volume positions ongoing debates within the wider context of an education landscape struggling to displace junk-science ideology with empirical research. The scope and sequence combined with the expertise of the contributors make this volume a vital resource for educators at all levels during a pivotal time of major changes in education policy.
