Strong in the Broken Places: A Plan Behind the Pain Margaret Michel

Is there a purpose to life's pains? The broken dreams? The shattered plans? The dashed hopes? Strong in the Broken Places: A Plan Behind the Pain confronts one of life's most perplexing questions. This inspiring, uplifting and encouraging message has changed the lives of many--and is prepared to change yours too. Based on a motivational speaking event previously sold as DVDs, CDs and requested as a seminar, it is now available in print. Pastor J. M. Harris, church leader and institutional administrator, had this to say: "Michel, a gifted speaker, counselor, evangelist, seminar presenter, and friend...writes, not as a coach standing on the sidelines barking out instructions to those on the playing field, but as a fellow player on the gridiron of life...Reading this book serves as a timely reminder that there is a plan behind life's pains. Thanks Pastor Michel for this timely reminder." Excellent reading for book clubs.
