The Art and Business of Photography Susan Carr

Photographers now have the ideal resource to build a solid foundation for success. The Art and Business of Photography takes an honest approach to the photography profession and is a guide to the artistic and business skills that are the foundation of a career in photography. Professional photographer and former ASMP president, Susan Carr, discusses the realities of the photography industry along with the struggles of expressing creativity and producing quality photography. Topics in this distinctive guide include the balance of being an artist and a business person, the basics of copyright, pricing skills, how to find future prospects, and the importance of craft and creativity. Firsthand experiences and sample photographs by top photographers--pursuing various photography subjects and different types of clients--serve to enhance the unique combination of art and business included in this book. This volume also covers the history of the profession and the current state of the industry. Anyone with a love for a photography and the creative process will benefit from this realistic yet inspiring approach to the photography industry.

From reader reviews:

Christopher Hairston:

Information is provisions for anyone to get better life, information these days can get by anyone from everywhere. The information can be a knowledge or any news even an issue. What people must be consider whenever those information which is within the former life are hard to be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you have the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take The Art and Business of Photography as your daily resource information.

Rafael Brooks:

Reading a book can be one of a lot of activity that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people love it. First reading a reserve will give you a lot of new info. When you read a publication you will get new information simply because book is one of many ways to share the information as well as their idea. Second, examining a book will make a person more imaginative. When you looking at a book especially fictional works book the author will bring you to definitely imagine the story how the personas do it anything. Third, you are able to share your knowledge to other people. When you read this The Art and Business of Photography, it is possible to tells your family, friends and soon about yours book. Your knowledge can inspire average, make them reading a guide.

Darcie Hartman:

Why? Because this The Art and Business of Photography is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will zap you with the secret the item inside. Reading this book adjacent to it was fantastic author who all write the book in such remarkable way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of benefits than the other book include such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I were being you I will go to the reserve store hurriedly.

Eileen Matherly:

As we know that book is significant thing to add our know-how for everything. By a publication we can know everything we want. A book is a set of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This e-book The Art and Business of Photography was filled regarding science. Spend your time to add your knowledge about your technology competence. Some people has different feel when they reading some sort of book. If you know how big advantage of a book, you can sense enjoy to read a reserve. In the modern era like today, many ways to get book you wanted.
