The Chinese Face of Jesus Christ: Annotated Bibliography (Monumenta Serica Monograph) Roman Malek

The present work provides a bibliography of the literature on Jesus Christ in China in order to broaden and deepen our notion of the faces and images of Jesus. It also wants to point out aspects which have been addressed in the contributions and anthologies of the previous volumes 1 to 3b of The Chinese Face of Jesus Christ, but which have not been treated thoroughly. Another aim of this bibliography is to initiate and enable further research, particularly in China. It includes bibliographical data from the beginning of the introduction of Christianity to China until the year 2013, occasionally also until 2014.
