The Collected Short Stories Jeffrey Archer

A collected edition of the master storyteller's short stories. This brand new edition brings together three of Jeffrey Archer's classic collections of short stories. Every reader will have their own favourites: the choices run from an imprisoned man who is certain that his supposed murder victim is very much alive, to a female driver pursued relentlessly by a menacing figure in another vehicle. An offhand remark is taken seriously by a Chinese sculptor in one tale, while a British diplomat unexpectedly becomes the owner of a priceless work of art in another...And over three of the stories, discover a hauntingly written, atmospheric account of two undergraduates at Oxford in the thirties: a tale of bitter rivalry that ends in a memorable love story. These stories are packed full of the master storyteller's unexpected twists, richly drawn characters and ingenious, witty denouements - some will make you laugh, others will bring you to tears. And, as always, every one of them will keep you spellbound.
