The devil Told his Side of the Story...NOW LET ME TELL MINE Mrs. Crystal Varner MBA

This is a true story. Over a period of 18 months the author was tested by GOD and tempted by satan. The year started off with the author given an assignment by GOD and she did not own up to it. Over the next several months, a series of events were sent to build her faith - but instead broke her spirit, destroyed her faith, sent her into a depression and stole her praise. GOD proved Himself faithful -and restored them all.
