The Poems of Wilfred Owen

Wilfred Owen

The Poems of Wilfred Owen Wilfred Owen

Derived from Jon Stallworthy's two-volume *Complete Poems and Fragments* (1983)—described as a "triumph" (*Times Literary Supplement*) and "a definitive text" (*Los Angeles Times*)—this is the finest single-volume edition of the work of the greatest poet of the First World War.

Of all the work bequeathed by to us by that generation of young men who fought in the trenches, Owen's is the most remarkable for its breadth of sympathy and its understanding of human suffering and tenderness, at home and on the battlefield.

This new, authoritative edition, indispensable to student and general reader alike, contains the texts of 103 poems and twelve fragments, among them thirty-three poems not previously published or otherwise available in paperback edition. Many of the most famous have important new readings; illuminating notes and a detailed biographical table are also included.
