John F. Kennedy's Head Wounds: A Final Synthesis - and a New Analysis of the Harper Fragment

David W. Mantik

(From the Preface by James H. Fetzer, Ph.D.):

In this magnificent study, David W. Mantik, M.D., Ph.D., reaffirms his standing as the leading expert on the medical evidence in the world by exposing a multiplicity of mistakes, wrong moves and detours that have left this issue in doubt. Neither the Bethesda account nor the HSCA depiction can withstand critical scrutiny. The Harper Fragment holds the key. Mantik has settled the matter decisively. Let the chips fall where they may. The consequences are profound.
