## **Stephen King: Uncollected, Unpublished** Rocky Wood

*Stephen King: Uncollected, Unpublished* by Rocky Wood is the most comprehensive **review** of the Stephen King works you've never read, including coverage of nearly one hundred unpublished and uncollected works of fiction--novels, short stories, screenplays, and poems!

Best of all, this eBook features the complete text of two lost works written by King, including an entire chapter from King's unpublished 1970 novel *Sword in the Darkness* that has never been published anywhere in the world!

*Stephen King: Uncollected, Unpublished* also gives in-depth coverage to the nearly one hundred variations and versions of King's published stories--edits, updates, and changes King made between reprintings of his work.

Details about the two works written by Stephen King that are printed in this book:

-The first and only publication of a very long chapter from King's unpublished 1970 novel *Sword in the Darkness*--one of the lost Stephen King novels that only a handful of people in the world have ever read! This novel will never be published, and this is your only chance to catch a glimpse of a young Stephen King developing his craft. The raw power that would eventually make him the bestselling horror author in the world is definitely evident in this very long excerpt!

-The first book publication of the obscure King poem "Dino"--previously only published in a small literary magazine and just recently discovered at the E.S. Bird Library of Syracuse University in New York!

In addition, the author has discovered and taken detailed notes about a work previously unknown by the King community -- "Molly," which was King's original screenplay submitted for The X-Files. It is a completely different story from what was later produced for the series as "Chinga" and the authors give in-depth coverage to the differences!

## **Here are some other examples of what you'll find in *Stephen King: Uncollected, Unpublished*:**

-Over one hundred entries detailing all of King's uncollected and unpublished works, many of which have never been available for public discussion

-In-depth descriptions and discussions of several unpublished King novels such as *Sword in the Darkness* and incomplete novels such as *George D X McArdle*

-Detailed overviews of dozens of King screenplays that were never produced, including his own adaptations of *Cujo*, *Children of the Corn*, *The Dead Zone*, *Desperation*, *Dolan's Cadillac*, *Night Shift*, *The Stand*, and his adaptations of other classic novels such as *Something Wicked This Way Comes*

-Essays covering two dozen of King's lost and hidden works that are not available anywhere in the world, such as "An Evening at God's" and the infamous "Squad D"

-Details of eight new and previously unheard of King stories discovered in the Stephen King papers at the University of Maine

-Details of two King stories published in his high school newspaper and other stories King wrote as a child and teenager

-A complete Stephen King bibliography covering nearly four hundred works of fiction and non-fiction

-Instructions on finding the original appearances of King's lost works that appeared in obscure publications, and suggestions on how you can add these rare works to your collection.
