A Small Fire

Adam Bock

A Small Fire Adam Bock

Characters: 2 male, 2 female

Interior

Adam Bock's meticulously crafted *A Small Fire* follows John and Emily Bridges, a long-married couple whose happy, middle-class lives are upended when Emily falls victim to a mysterious disease. As her senses are slowly stripped away - smell, taste, sight - Emily resolves to remain engaged with her community, relying on John to help her run her company and experience her daughter Jenny's wedding. But her stoic outlook reaches a breaking point when the disease steals her hearing, leaving her with nothing but touch to communicate with the world. Suddenly, she is completely dependent on the husband whose endless devotions she had always taken for granted.

"The play is...raucous, funny and unexpectedly touching, as we are made intimate witnesses to a frank demonstration of how much of life, of love and of happiness remain within reach even when so much appears to be lost." -*The New York Times*

"*A Small Fire* is a small play, tightly focused and written close to the vest, but its small virtues are numerous and meaningful; in retrospect, they begin to loom very large" - *Village Voice*
