He Saved Me: (He Found Me #2) Whitney Barbetti

Please note: this is the second book in a two part series, and the conclusion to Andra and Julian's story.

Julian

I've come to understand that I'll always find her. She's my north star, my sense of direction. In her, I've found my home. She tells me I saved her. But the truth is, she saved me.

But nothing good can ever last. Andra's keeping secrets. She's holding something back. I'm trying, desperately, to anchor her. To let me in, to let me help.

But will all my efforts end up with a ghost of a girl I love?

Andra

I'm used to disappearing. Vanishing into thin air, without a trace of who I've been or where I've gone.

But it's so much harder to do with a broken heart and no hope for a happy ending. Sometimes the only people who can put all the pieces of us back together are the ones we least expect to. That's what Julian did for me.

Julian found me. But now, all Six wants is to keep me locked up, away from the world, away from the Monster. I can't live like that. It's not living at all. Because I still have unfinished business.

And I'm going to make sure the Monster gets what's coming to him.
