*"Mr. Needham seems to know rather more about these things than one ought."* -- **The Wall Street Journal Asia**

Once a high-flying international lawyer, a member of the innermost circles of government power, Jack Shepherd has abandoned the savage politics of Washington for the lethargic backwater of Bangkok, where he is now just an unremarkable professor at an unimportant university in an insignificant city.

Or is he?

A secretive Asian bank collapses under dubious circumstances. A former law partner Shepherd thought dead reveals himself as the force behind the disgraced bank and coerces Shepherd into helping him track the hundreds of millions of dollars that disappeared in the collapse. A twisting trail of deceit leads Shepherd from Bangkok to Hong Kong and eventually to an isolated villa on the fabled island of Phuket where he confronts the evil at the heart of a monstrous game of international treachery.

A lawyer among people who laugh at the law, a friend in a land where today's allies are tomorrow's fugitives, Jack Shepherd battles the global tide of corruption, extortion and murder that is fast engulfing the new life he has made for himself in Thailand.
