Welcome to the world of art, anxiety, and love. You're Wendy Isaacs, a beautiful 20 something who could be mistaken for a model, but are too rocked with insecurities to do much about it. After a strange encounter with a one night stand that literally flings you into the arms of a stranger, you now have to find out what direction you're going to take with your life.

Are you going to take this hot guy on his offer to cure your morning hangover? Or are you going to run away and let fate decide for you? You can't stop thinking about him...even when you happen upon a beautiful brunette in your possible place of employment. Now you have to decide what's important to you. Is your job what's important, or the lives of all those around you? And when are you going to find time to make the right decisions for yourself that will bring you to a love you feel you truly deserve?

This is a short choose- your-own-adventure for the childlike romantic in you. Will Wendy choose the man new to her life, or the woman who she didn't expect?
