Grace Jordan is leaving her dark past behind. Having traded in her big-city badge for life in the slow lane in Rockville, South Dakota, Grace and her daughter were hoping to make a fresh, clean start. But crime is at-large in small towns, too...and young women keep turning up brutally murdered. Before she knows it, Grace has got a serial murder case on her hands?and the infuriatingly seductive FBI agent Justin Reece by her side.

Grace did not come to Rockville looking for romance. But she can't deny the chemistry between her and Justin?no matter how much she might want to. Meanwhile, things keep heating up as more women turn up dead, and a disturbing new pattern points to a killer who seems to be sending a message for Grace alone. But how could he know such secret, scandalous details about her life? Unless he happens to be someone from the past she would kill to forget...
