The Epistle to the Philippians Karl Barth

Dr Barth's exposition of Philippians, first published in German in 1927, was not available in English before this translation by Dr James Leitch. It has important differences in procedure from the famous Romans, and should not be missed by any student of Dr Barth's development. The commentary is also of interest as having been written primarily for the non-theologian. It is intelligible without a knowledge of Greek, although it has insights for the New Testament specialist. Like the Epistle of joy itself, Dr Barth's Philippians reflects the concern of a pastor that ordinary Christians should set their priorities right.
