## **Beyond Reasonable Doubt (Discovery Series Bible Study)** Dennis Moles

Some people find it difficult to wrap their minds around the compatibility of science and the miracles recorded in the Bible. “For many, the Bible describes a world they have never seen and cannot accept,” writes Bible teacher Dennis Moles. In this five-lesson study, you’ll find historical and archaeological evidence to support the reliability of the Bible. The author guides you to a deeper understanding of your faith so you can help those who doubt. Focusing on the Bible’s message of reconciliation and grace, he points you to Jesus—the most compelling reason to believe.
