Dark Transformations (Tale of the Golden Locust) Thomas Weston

In this shocking novel, death violates its restraining order as giant locusts are used by the demonic Shadow Masters in an attempt to establish a new religion called The Assembly of the Golden Locust. One horrific surprise follows another as we follow the transformation of Maxwell Legassa from an unknown author to an adept teetering on the cusp of madness. At the end, one walks away wondering if, perhaps, these things could really happen.
