*Sex on the Beach, the do-over.*

I had a simple plan for what to do in Key West the second time around.

Testify at the trial of the rapist I helped catch last year.

Make sure he gets locked away for the rest of his natural life, so he can never, ever hurt another girl.

Wait for my BFFs to get to town, so we can celebrate.

And stay far away from Ty Connor, because three months after breaking up with him, I still don't know whether being with him is worse than being without him.

*Spring Break, take two.*

All of the above? Out the window.

Turns out testifying is a lot harder than I thought it would be.

Not only is the rapist I helped catch last year not locked up for the rest of his life, he's on the loose and looking for me. Good thing both my BFFs are having boyfriend trouble, and maybe can't make it to Key West after all.

Oh yeah, and it's definitely harder being without Ty than being with him, especially when I have to watch him with someone else.

*Welcome to my world.*
