Northstar, now in its third edition, motivates students to succeed in their **academic** as well as **personal** language goals. For each of the five levels, the two strands – *Reading and Writing* and *Listening and Speaking* – provide a fully integrated approach for students and teachers.

What is Special about the Third Edition?

- **New Themes and Updated Content** – presented in a **variety of genres** and in **authentic materials** – challenge and engage students intellectually.
- **Enhanced Focus on Academic Skills**, more purposeful integration of **critical thinking**, and an **enhanced focus on academic skills** such as inferencing, synthesizing, notetaking, and test taking help students develop strategies for success in the classroom and on standardized tests.
- A new, **fully integrated** writing section leads students through the **writing process** with engaging writing assignments focusing on various rhetorical modes.
- **A New Design** with **full color pages**, more **photos, illustrations**, and **graphic organizers** fosters student engagement and makes the content come alive.

MyNorthStarLab

NorthStar is now available with MyNorthStarLab – an easy-to-use, powerful **online** program **for students and teachers** that **saves time and improves test scores**.

- Students receive **personalized instruction** and **practice** in all four skills. Audio, video, and test preparation are all in one place – available **anywhere, anytime**.
- Teachers can take advantage of many resources including online **assessments**, a flexible **gradebook**, and **tools for monitoring student progress**.
- Unlimited access to reading and audio selections, DVD segments, as well as original activities that support and extend the *Northstar* program.

Teacher's Manual

- A **unit-by-unit guide** including **overviews**, suggested times, step-by-step **teaching suggestions**, **expansion and homework activities**, and links to the companion strand and to MyNorthStarLab
- **Detailed multi-level strategies and activities** so instructors can reach students at different proficiency levels
