Edward Bastian:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
