## **Better Than Doing It With Myself**

They always say that men are from Mars and women are from Venus, and that this basic difference in the sexes makes it impossible for members from either one to ever truly see eye to eye about things. But when the two planets align and young couple Mark and Vera end up miraculously switching bodies, they're each about to experience sexuality from a very, very different perspective...

**WARNING: This book contains adult themes, harsh language, and is not intended for under eighteen.**
