## FDA Bioequivalence Standards (AAPS Advances in the Pharmaceutical Sciences Series)

This comprehensive reference provides an in-depth discussion on state-of-the-art regulatory science in bioequivalence. In sixteen chapters, the volume explores a broad range of topics pertaining to bioequivalence, including its origin and principles, statistical considerations, food effect studies, conditions for waivers of bioequivalence studies, Biopharmaceutics Classification Systems, Biopharmaceutics Drug Disposition Classification System, bioequivalence modeling/simulation and best practices in bioanalysis. It also discusses bioequivalence studies with pharmacodynamic and clinical endpoints as well as bioequivalence approaches for highly variable drugs, narrow therapeutic index drugs, liposomes, locally acting gastrointestinal drug products, topical products and nasal and inhalation products.

*FDA Bioequivalence Standards* is written by FDA regulatory scientists who develop regulatory policies and conduct regulatory assessment of bioequivalence. As such, both practical case studies and fundamental science are highlighted in these chapters. The book is a valuable resource for scientists who work in the pharmaceutical industry, regulatory agencies and academia as well as undergraduate and graduate students looking to expand their knowledge about bioequivalence standards.

### **From reader reviews:**

#### **Elisa Hall:**

What do you regarding book? It is not important together with you? Or just adding material when you require something to explain what the one you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every person has many questions above. They should answer that question because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need that FDA Bioequivalence Standards (AAPS Advances in the Pharmaceutical Sciences Series) to read.

#### **John Merritt:**

As people who live in often the modest era should be up-date about what going on or details even knowledge to make these people keep up with the era which can be always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice to suit your needs but the problems coming to a person is you don't know what one you should start with. This FDA Bioequivalence Standards (AAPS Advances in the Pharmaceutical Sciences Series) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

#### **Harry Alvey:**

Reading a guide tends to be new life style in this particular era globalization. With studying you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Plenty of author can inspire all their reader with their story as well as their experience. Not only situation that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some investigation before they write with their book. One of them is this FDA Bioequivalence Standards (AAPS Advances in the Pharmaceutical Sciences Series).

#### **John Parish:**

You can obtain this FDA Bioequivalence Standards (AAPS Advances in the Pharmaceutical Sciences Series) by visit the bookstore or Mall. Only viewing or reviewing it might to be your solve issue if you get difficulties for your knowledge. Kinds of this reserve are various. Not only by written or printed but in addition can you enjoy this book through e-book. In the modern era just like now, you just looking by your local mobile phone and searching what your problem. Right now, choose your own ways to get more information about your guide. It is most important to arrange you to ultimately make your knowledge are still change. Let's try to choose correct ways for you.
