How to Pray for Your Husband

Scripture Based – Spiritual Coverage – Speaks Life to Your Husband

The Best Gift you can offer to Your spouse

Marriage is not for the faint hearted or the selfish. Marriage requires you to be completely vulnerable and to give of yourself everyday. There is a mask that everyone learns to wear at a fairly young age. The public face that you show the world everyday, serves to protect you. However, with your husband, you must lose the mask. In fact, you will need to completely disrobe and stand before him naked. He will see your every flaw and imperfection. The amazing miracle of marriage is that your husband will love you flaws and all.

Marriage is work, and it works when you learn how to be present in the moment with your spouse and know that he is right there with you. **How to Pray for Your Husband** is for every wife who has struggled with becoming “one” with her husband.

The focal point of this book is developing the practice of daily prayer for your husband. Through the practice of prayer, you’ll not only improve your relationship with him, but also become closer to God. God is often the missing partner in most marriages. As a single woman, you prayed for God to give you a husband who would love you and provide for you. God answers and sends you the man of your dreams. You stand at the altar with him and vow to love and obey him. The minister blesses the two of you and declares that a threefold cord is not easily broken. After your husband carries you over the threshold of your honeymoon suite, you start to depend more on your husband than God. **How to Pray for Your Husband** is for every wife who needs to reconnect with the Father and revive her faith in Him. Outside of Jesus Christ and the power of the Holy Spirit working inside of you it is nearly impossible to love your husband. The ability to submit to your husband and to respect him is made easy through the practice of daily prayer. During your time of prayer, God will reveal to you the many ways in which you can be a better wife to your husband. Remember God has called you to be a helpmeet, or the one who helps. **How to Pray for Your Husband** is for every wife who takes this sacred responsibility seriously.

Are you having problems communicating with your husband? Has your love life become non-existent? Is your husband having problems walking in his role? Have you contemplated leaving your husband? Every issue you may be having in your marriage right now can be resolved through the practice of daily prayer. This book will be your guide to establishing an effective prayer life. You will learn how to go to God with any and every thing that comes up in your marriage and ask Him to give you the solutions. It’s never too late to invite God back into your marriage. Thirty minutes of prayer each day is all it takes to turn things around. Reading **How to Pray for Your Husband** is the best investment you can ever make in your marriage.
