Jane Gardam's beloved *Old Filth Trilogy*--her masterpiece, *Old Filth*, *The Man in the Wooden Hat*, and *Last Friends*--are here presented in a box set perfect for holiday gift-giving. Emotionally distant but highly successful Edward Feathers, his beautiful wife Betty, and his devilishly handsome professional rival (and Betty's one-time lover) Edward Veneering are the anchors of this series, with each novel focusing on a different character. Feathers was a "raj orphan"--children born in Far East British colonies and raised in England--while Veneering's own path to legal renown is a Dickensian as his name. Filth and his circle tell a bittersweet tale of enduring friendship while contending with the disappointments and consolations of age as a once-insurmountable empire declines around them. Told with Jane Gardam's customary wit, the *Old Filth* trilogy is a deeply humane and often comic portrait of aging and a reminder that the experiences we choose to take with us in our twilight years are as unforgettable--and unpredictable as life itself.
