A beautiful tribute to the glory of the original Pennsylvania Railroad Station

During the first half of the 20th century, the original Pennsylvania Station was one of New York City's grandest landmarks, a palace in the middle of Manhattan. William Low's glorious illustrations pay close attention to detail while still encompassing the large-scale grandeur of Penn Station.

Old Penn Station follows a very specific piece of New York City history, but it's not just a New York book. The author's research carefully addresses the whole history of the building, from construction to destruction, ending with an acknowledgment of its lasting legacy in terms of historical preservation. Spaces can be powerful, and *Old Penn Station* honors one particular powerful space which is sure to engender discussion about other historical buildings and monuments all across the nation.

This is a classic, beautiful book for history lovers, train lovers, and art lovers alike.

Old Penn Station is a 2007 New York Times Book Review Best Illustrated Book of the Year and a 2008 Bank Street - Best Children's Book of the Year.

From reader reviews:

Jerry Hernandez:

What do you consider book? It is just for students because they're still students or that for all people in the world, exactly what the best subject for that? Just simply you can be answered for that problem above. Every person has distinct personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that. You must know how great as well as important the book Old Penn Station. All type of book are you able to see on many methods. You can look for the internet options or other social media.

Leopoldo Gonzalez:

This Old Penn Station book is not really ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is information inside this reserve incredible fresh, you will get facts which is getting deeper you read a lot of information you will get. This Old Penn Station without we understand teach the one who studying it become critical in considering and analyzing. Don't become worry Old Penn Station can bring once you are and not make your case space or bookshelves' turn into full because you can have it inside your lovely laptop even telephone. This Old Penn Station having good arrangement in word along with layout, so you will not truly feel uninterested in reading.

Amanda Garcia:

Information is provisions for folks to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider when those information which is within the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one the resource are convinced. If you get the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Old Penn Station as the daily resource information.

Dianne Janelle:

Is it anyone who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Old Penn Station can be the solution, oh how comes? It's a book you know. You are therefore out of date, spending your free time by reading in this new era is common not a geek activity. So what these ebooks have than the others?
