Vanished Karen Robards

Ten years ago, Sarah Mason's six-year-old daughter vanished during an outing at a local park in Beaufort, South Carolina. Despite a furious search, little Lexie was never found, and Sarah was left to pick up the pieces of her shattered life and go on as best she could.

Then, on one hot July night, she returns home from work to hear the phone ringing. When she picks it up, a child's terrified voice whispers, "Mommy, help, come and get me . . ." The call is cut off, but not before Sarah's heart goes into overdrive: the voice belongs to Lexie. Six-year-old Lexie. Though ten years have passed, she sounds exactly the same.

Frantic, Sarah turns to the police, the FBI, family, and friends, none of whom can help. Out of desperation, she approaches Jake Hogan, once a detective assigned to Lexie's case. Jake is now a P.I., and though he is skeptical, the attraction he feels for Sarah pushes him to help her. Ben is convinced someone is deliberately tormenting the grief-stricken mother, and the continued tension of sketchy and unpredictable clues forces them to rely only on each other. Together they're caught in a nightmare search for Lexie, who might just still be alive-if only Jake and Sarah can hang on.

From reader reviews:

Denise Welton:

Do you really one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you find out the inside because don't ascertain book by its handle may doesn't work the following is difficult job because you are scared that the inside maybe not while fantastic as in the outside look likes. Maybe you answer might be Vanished why because the great cover that make you consider concerning the content will not disappoint you. The inside or content is actually fantastic as the outside or even cover. Your reading sixth sense will directly guide you to pick up this book.

Jeremy Quick:

Do you like reading a book? Confuse to looking for your chosen book? Or your book had been rare? Why so many concern for the book? But any people feel that they enjoy to get reading. Some people likes examining, not only science book but also novel and Vanished or maybe others sources were given information for you. After you know how the truly amazing a book, you feel wish to read more and more. Science publication was created for teacher or students especially. Those books are helping them to bring their knowledge. In some other case, beside science book, any other book likes Vanished to make your spare time more colorful. Many types of book like here.

Christopher Wilkerson:

A lot of reserve has printed but it is different. You can get it by web on social media. You can choose the top book for you, science, comedian, novel, or whatever by searching from it. It is referred to as of book Vanished. You can include your knowledge by it. Without departing the printed book, it might add your knowledge and make you happier to read. It is most significant that, you must aware about guide. It can bring you from one destination for a other place.

Tom Salgado:

What is your hobby? Have you heard that question when you got students? We believe that that question was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person just like reading or as studying become their hobby. You need to understand that reading is very important as well as book as to be the point. Book is important thing to add you knowledge, except your personal teacher or lecturer. You find good news or update in relation to something by book. Numerous books that can you go onto be your object. One of them is Vanished.
