### **Comments From Other Readers**

"I enjoyed Volume 1 of this series, so I was looking forward to reading the second instalment. I was certainly not disappointed! Much like the first one, this is a top-notch collection of incredible acts of valor from the fighters of WWII. Any war or history buff would enjoy this book." – Martha S. (Syracuse, USA)

“Great pack of stories. I appreciated the fact that the author chose to incorporate stories from multiple sides of World War II; not just the Allies. As he alludes to, there was bravery on both sides, and I enjoyed reading about one from a non-Allied force.” – Philip E. (Gloucester, UK)

“It was interesting to read of a Japanese-American hero in this book, especially given the racial prejudice against them during this time, as the book alluded to. I enjoyed reading about him giving everything he had for his country, even if it was cold toward his people while all of this was going on. His bravery and moral fiber should be doubly commended because of this.” – John M. (Philadelphia, USA)
