The world of Fulorn is on the brink of disaster. The Kinmarks have fought all comers in their new land and have yet to meet anyone who can consistently challenge them. But internal struggles have arisen within their highest ranks, and these struggles threaten to derail their dominance. Unbeknownst to the Kinmarks, strange events are also unfolding in other areas of Parvumor as the players in a game much larger than any one nation begin to make their moves. These characters, both new and familiar, now appear to be emerging from the shadows as the story begun in *The Last Kinmark* continues.
