When Angeline set out to escape her troubles among the red rocks of Sedona, Arizona, she never imagined that she would discover her destiny. Five lives converge in this sleepy tourist town where the fate of the Earth hangs in the balance. As Angeline, Toby, Noah, Suna, and Leuters discover latent supernatural abilities and wisdoms from an ancient past, they race against time to dissolve the veils between the physical and spiritual worlds, determining whether the corruption of thousands of years of human civilization will be allowed to continue or whether humanity will get a fresh start. The Secret of Mago Castle is a fantasy novel that addresses the real issues humanity currently faces. It is a call to bring out the best in the human spirit to save the place we all call home. By the end of this book, you'll be wishing . . . hoping . . . believing that it wasn't just a story.
